AL HAMRA GOLF CLUB

This eighteen-hole golf course, designed by Peter Harradine, meanders around four inter-connected open water lagoons merging seamlessly with the water of the Arabian Gulf. As many traditional courses do, the front nine measurings 3,578 yards make its way out and away from the Clubhouse, whilst the back nine measurings 3,747 yards returns home around the lagoon to the Clubhouse. The result is a stunning Par 72 Championship Golf course measuring 7,325 yards at full length designed with five varying tee options on each hole.

TOWER LINKS GOLF CLUB

Tower Links Golf Club in Ras Al Khaimah, designed by Gerald Williams, is without a doubt the most natural golf course in the Emirates and the #1 golf course in the northern emirates. With as many as 11 out of the 18 holes meandering around a mangrove reserve which provides a natural and safe habitat to many aquatic and bird species. As well as the beauty of the mangrove reserve, the course is also framed by the magnificent Hajar mountain range.

AL ZORAH GOLF CLUB

The golf course has been designed by Nicklaus Design, the company of legendary 18-time Major Champion – Jack Nicklaus and includes an 18-hole championship layout. Set within a stunning natural environment, with flowing dunes and an in-land Mangrove area, the highly desirable location will provide golfers with a unique golf experience with water levels shifting with the tides throughout the day, and completed with pristine course conditioning of the paspalum grass.
