Trip Overview

ABOUT THIS PACKAGE

The St. Regis Bahia Beach comprises 483 fenced acres of lush maritime forest on the island's northeast coast. The soothing beachfront setting and panoramic views of the turquoise sea welcome visitors, while the resort's Iridium Spa and Bahia Wellness Center rejuvenate and inspire. The pristine 18-hole Robert Trent Jones Jr. designed course is among the best places to play golf in the Caribbean. Coconut trees frame the fairways, and the oceanfront 18th hole is a breathtaking highlight. Managed by Troon Golf, the course is certified Silver Signature Sanctuary by Audubon International.

After a satisfying round, refresh in a luxurious room or suite, then discover delicious dishes prepared with fresh ingredients at the resort's oceanfront restaurants. The dedicated garden offers freshly harvested produce daily and showcases local flavors and fresh seafood. The exquisitely designed property is located between the El Yunque National Forest and the Espíritu Santo River State Reserve, and is home to two miles of secluded beach and two private bird sanctuaries. It is the first and only Gold Audubon Signature Sanctuary in the Caribbean, the first AAA 5 Diamond rated resort in Puerto Rico, and a Forbes Travel Guide 5 Star rated resort.

BAHIA BEACH

Robert Trent Jones Jr, one of the world's greatest golf architects, designed this spectacular course. Fifteen of the eighteen holes border a form of water, as the course takes a circuitous route around lakes before emptying onto the Atlantic coast for the final holes. Bahia Beach was designed with the resort golfer in mind, but will offer players of all skill levels a strategic and challenging golf experience.
