DUBAI CREEK GOLF AND YACHT CLUB

Golfers for 20 years. Voted one of the top 100 golf courses in the world by Golf World magazine, the course is a remarkable opponent for even the most skilled golfer. And nothing can prepare you for the finale in front of the grandstand, where the incredible panoramic view of Dubai is a good consolation for the two holes that seriously affect the score sheet.

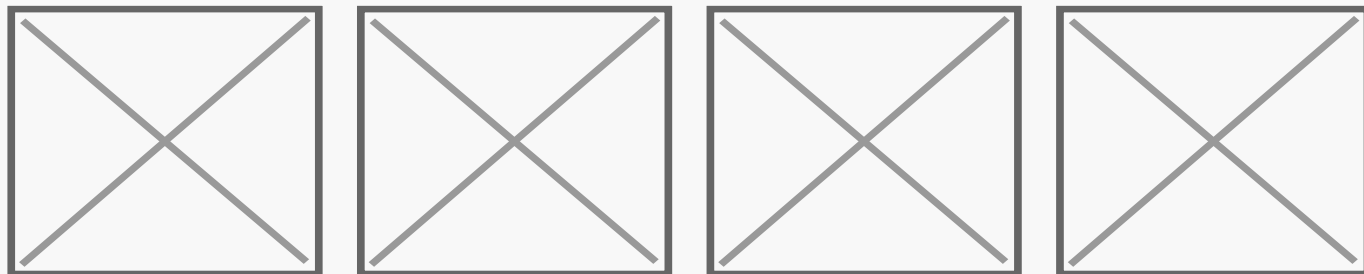

THE ELS CLUB

Renowned as one of the finest golfing destinations in the Middle East, the unique experience of The Els Club is one that creates everlasting memories and should be on every golfers' must-play list. Those who appreciate life's finest pleasures will embrace this true sporting gem which has been sensationally designed by Ernie Els, former US Open and Open Championship winner. Ernie has a passion for the great links courses of the UK, where he has won two of his 4 major championships, and in creating The Els Club he set about recreating some of these design features in a desert landscape. Thus a 'desert

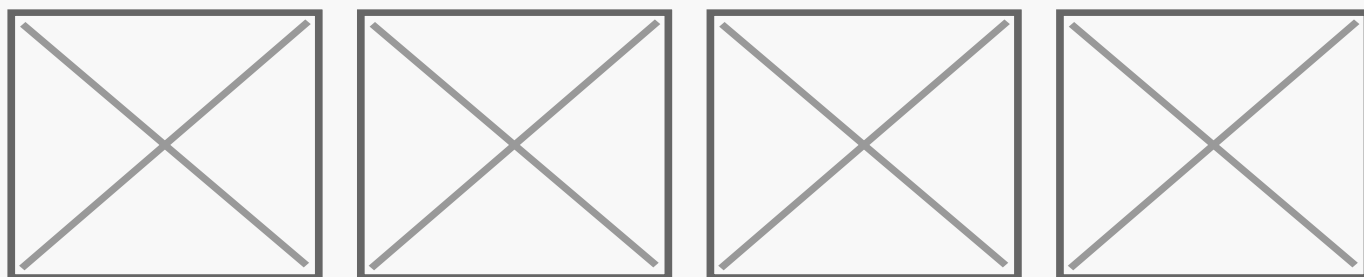

links' was born, one that was quickly named 'best new international course' by the prestigious US magazine, Links.

DUBAI HILLS GOLF CLUB

The design of the Dubai Hills Golf Club draws on the natural topography of the location. Carved out of the desert, it is designed for all levels of golfers with large contoured fairways offering a variety of strategic options. Undulating greens will test their skill while the valleys and lakes as well as the strategic bunkering form the biggest challenge to scoring well.

JUMEIRAH – THE EARTH COURSE

Very proud to host the DP World Tour Championship, Dubai – the highlight of The Race to Dubai and European Tour season. This clean, sculpted course, inspired by the great parks of Europe and North America, paints a beautiful pastiche of ora, rolling terrain and whitewater. These natural elements also offer different angles and changing

perspectives from every tee.

EMIRATES MAJILIS GOLF CLUB

The flagship course at Emirates Golf Club, The Majlis championship course is a challenging par 72, 7,301-yard layout. Designed by Florida-based course architect Karl Litten, the original 18 holes were built in and around the dunes of a beautiful site on the edge of the city of Dubai, donated by His Highness General Sheikh Mohammed bin Rashid Al Maktoum, on whose instructions the desert flora was maintained in its natural state. The Majlis course has developed a worthy reputation worldwide as a testing layout for even the best golfers. The course features hundreds of indigenous species of flora and fauna, beautifully complemented by meandering fairways and seven fresh and saltwater lakes. The Majlis, the first grass course in the Middle East, takes its name from the Arabic word for 'meeting place'. One of the most prominent features on the course is the Majlis building itself positioned between the 8th and 9th holes and a Dubai landmark since 1988.
