

# SIGNATURE ROAD TRIP FLORIDA

# Trip Overview

## ABOUT THIS PACKAGE

With my partner Jacky Casanova, we've been traveling every year for the last 10 years to Orlando to attend the PGA Show, the largest American event dedicated to the golf industry. **After 3 days of work we take our annual break for 3 to 5 days, a car rental and en route to learn and discover!**

No matter how long you have, there are so many golf treasures to discover. Florida is a golf experience for everyone, and it's generous year-round climate only adds to the appeal. We are rediscovering golf courses, itineraries, looking for good addresses - restaurants.. shops... hotels and we share this information with you to give our idea of the perfect Road Trip in Florida, and notably in the footsteps of The Florida Swing - PGA tournaments taking place in Florida each year in March.

Golfer to Golfer suggests testing your skills on the championship courses where the very best in the world compete.

Miami and its Blue Monster, further north West Palm Beach at the famous PGA National Jack Nicklaus Bear's, Orlando to stay and play at Mr Arnold Palmer's Bay Hill Club & Lodge, then the west coast and Tampa for play the Copperhead course in Innisbrook's, or go directly north to Jacksonville and try to avoid the water at the famous TPC Sawgrass hole 17. More than just a golf trip, the Golfer to Golfer Road Trips invite you to discover a country through its range of golf course.

We hope you take advantage of our advice, our suggestions of social programs, our experiences, and will mke the most of your vacation with a tour from tee 1 to 18.

### **BAY HILL CHAMPION/CHALLENGER**

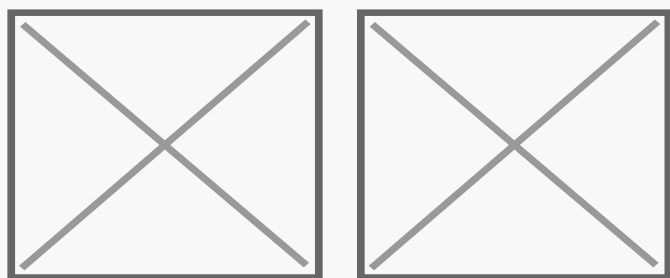

There's something about Bay Hill that makes a golfer's heart beat faster. Open only to Club members and registered guests staying at the Bay Hill Club and Lodge, the breathtaking course sweeps 270 acres along the shores of the Butler Chain of Lakes. The Champion, Challenger, and Charger links feature 27 holes of tour championship golf, a tough but fair test for professionals and amateurs alike.

### **INNISBROOK COPPERHEAD COURSE**

At Copperhead, you'll enjoy golf as nature intended. Pine-lined fairways and rolling terrain define the course, and the surrounding lakes and ponds feature water hazards that are also home to abundant wildlife, including fox squirrels, bald eagles, alligators, blue herons, and many other types of waterfowl. Strikingly beautiful and challenging, the Copperhead course, at more than 7,200 yards, is a challenge to even the longest hitters and is an Innisbrook must-see.

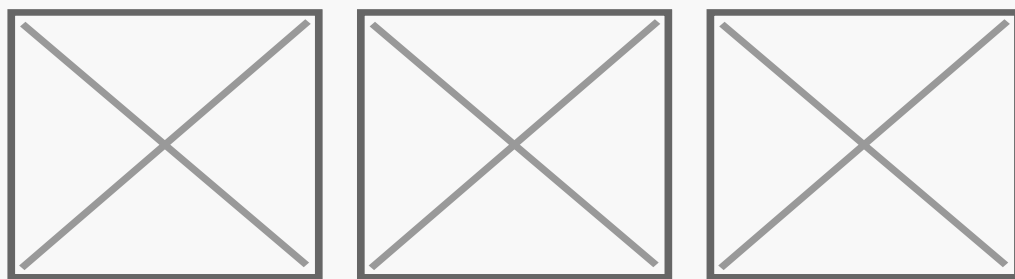

### **TPC SAWGRASS – STADIUM COURSE**

From the initial idea by former PGA TOUR Commissioner Deane R. Beman, the Stadium Course at TPC Sawgrass was built in 1982 to host THE PLAYERS Championship and be the permanent Home of The Player Championship . As the first true "Stadium Course," it was designed to improve the overall on-site fan experience. Finally, the Stadium Course would be a championship-caliber course accessible to all golf fans. Working with renowned golf course architect Pete Dye, Commissioner Deane Beman created a course design that favored no particular player or style of play. The result is a truly balanced course. Players find a selection of short, medium and long holes within the categories of par-3s, par-4s and par-5s; both right and left doglegs; and a course routing laid out so no two consecutive holes ever play in the same direction. With its signature island green on the par-3, 17th hole being one of the most recognized in golf, this legendary track has captured the imagination of golf fans all over the world and is consistently named among the top golf courses worldwide. While the 17th hole gets a lot of attention, the 18th hole on this golf course – a 462-yard, par 4 guarded by water down

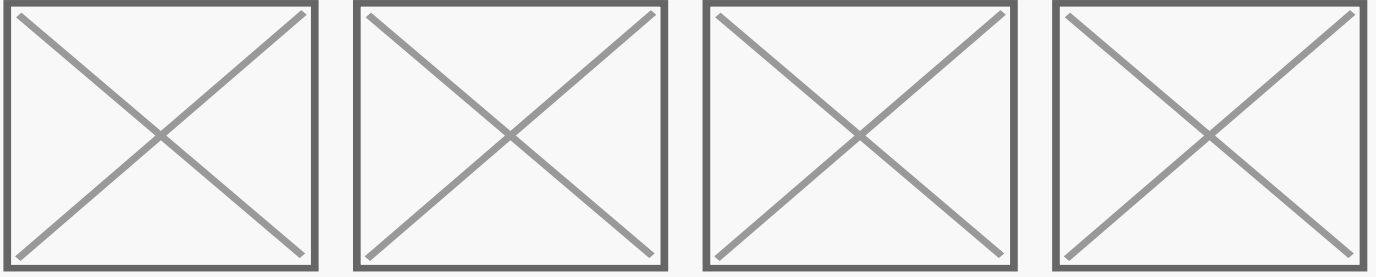

the left side, is a formidable finishing hole. While championship tees stretch the Stadium Course to 7,215 yards, there are three other yardage options to suit your game. The blue tees measure 6,661 yards and the white tees are at 6,103. A blended tee option at 6,402 yards offers a nice compromise. The forward, or ladies' tees are at 5,109 yards. The Stadium Course has been honored by multiple golf publications as a top golf destination. Golf Digest ranked it 47th among "America's 100 Greatest Golf Courses for 2015-2016" and ranked the Stadium Course 9th overall among "America's 100 Greatest Public Golf Courses" in 2015-2016.

### **TRUMP INTERNATIONAL DORAL – BLUE MONSTER**

With legendary architect Gil Hanse at the helm, the historic Blue Monster Course has undergone a complete redesign and has become a new golf course, thus reaffirming its reputation as one of the most challenging and spectacular golf courses in existence. The 7,608 yard course features a series of strategically placed deep bunkers, long flowing fairways, undulating greens, deep Bermuda rough and a challenging assortment of water hazards – all of which combine for a course that requires both length and finesse to score well. Our members enjoy playing where the Pro's play!

### PGA NATIONAL CHAMPION

Originally designed by Tom and George Fazio for major tournament play, The Champion course at PGA National Resort & Spa was redesigned by Jack Nicklaus in 2014 and hosts the Honda Classic each spring on the PGA TOUR. Although The Champion has generous landing areas and spacious and accepting TifEagle greens, golfers are presented with course management challenges throughout the round. This South Florida golf resort course has five sets of tees to make the course more playable for golfers of all levels. A must-play on any avid golfer's list, The Champion features the Bear Trap, which spans three demanding holes designed by Jack Nicklaus. Considered one of Florida's most notable golf challenges, on what is unquestionably one of the best golf courses in Florida, USA Today calls the Bear Trap "one of the toughest stretches in golf."
