DUBAI CREEK GOLF AND YACHT CLUB

Golfers for 20 years. Voted one of the top 100 golf courses in the world by Golf World magazine, the course is a remarkable opponent for even the most skilled golfer. And nothing can prepare you for the finale in front of the grandstand, where the incredible panoramic view of Dubai is a good consolation for the two holes that seriously affect the score sheet.

JUMEIRAH - THE EARTH COURSE

Very proud to host the DP World Tour Championship, Dubai - the highlight of The Race to Dubai and European Tour season. This clean, sculpted course, inspired by the great parks of Europe and North America, paints a beautiful pastiche of ora, rolling terrain and whitewater. These natural elements also offer different angles and changing perspectives from every tee.

DUBAI HILLS GOLF CLUB

The design of the Dubai Hills Golf Club draws on the natural topography of the location. Carved out of the desert, it is designed for all levels of golfers with large contoured fairways offering a variety of strategic options. Undulating greens will test their skill while the valleys and lakes as well as the strategic bunkering form the biggest challenge to scoring well.
