### PARADIS GOLF CLUB

The course is a pleasure to play and offers a challenge to all. The smooth green fairways are dotted with the bright colours of bougainvillea, flamboyants, poinsettias and araucarias, while the royal palms, filao and coconut trees complete the tropical island style. Choosing the right grass to suit the climate, the greens are planted with Seashore Paspalum, an ideal turf for the tropics.

### MONT CHOISY LE GOLF

Mont Choisy Le Golf is much more than a new championship course. It is the first of all a Mauritian golf which enhances the natural beauty of the North of the island, its mountain

views and the historical heritage of the Place. It is also a walk that offers a real communion with nature; the call of yellow canaries nestled in the casuarina trees, the identification of various floral and trees species are all special and authentic moments to share with your family.
