### THE OLYMPIC GOLF COURSE

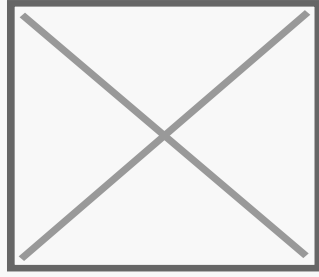

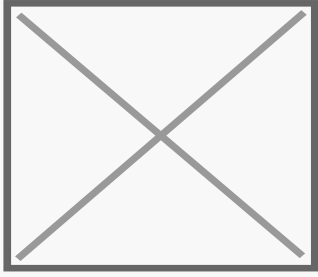

The 18-hole Olympic course gives off a links-like feel, comparable to the Australian sand-belt course, and blends naturally with the native vegetation. There is plenty of wildlife present on the course, including capybaras (large rodents), caimans (small crocodiles) and corujas (burrowing owls). The experience of playing this already legendary course will remain in your memory forever!

### ITANHANGÁ GOLF CLUB

Itanhangá Golf Club is founded in the 30's and is the only club with 27 holes in Rio de Janeiro State. The club always played an important role for golf in Brazil, as it hosted some of the major golf competitions, including the Brazil Open and the LPGA Tour. Itanhangá is also famous for its Golf school, which is active in promoting junior golf.

### **GAVEA GOLF & COUNTRY CLUB**

The course is located between Pedra da Gávea - an enormous rocky outcrop that looms over the course, Tijuca Forest and São Conrado beach.
